Melissa -

Tomorrow is the deadline for me to submit expert reports. I am writing to see if you all agree or are opposed to an extension to that deadline. I will agree to an equal extension of time for you all to submit expert reports. I would like to request a months extension. The reasons I will offer are my health (I am trying a new medication prescribed by the specialist but need time to see if it will work) and the difficulty to get records because of COVID. Do you all agree?
